

**TEAM VALOR DOUBLING NEXT HIGHEST PARTNERSHIP IN KEY STATS
STABLE IS TIED FOR LEAD AMONG ALL OWNERS IN GRADED STAKES
EARNINGS RECORD FOR IRWIN SYNDICATE COULD FALL BY END OF MONTH**

As the American racing schedule accelerates into the crucial fall season that culminates with the Breeders' Cup World Championships, Team Valor International is poised at the top of the leaderboard in several key owner categories.

Team Valor is tied with Mike Repole for the North American lead in Graded stakes winners (4) and Graded stakes wins (7) this season. The stable stands alone across the board in the standings for public syndicate groups, doubling the next highest total in stakes winners (10), stakes wins (14), individual graded stakes winners (5), and graded stakes wins (8).

Barry Irwin now sees his stable with yearly earnings of \$3,511,123, already third-best in the 25 years he has formed racing syndicates. The record, \$3,888,233 from 2007, could fall by the end of the month.

Team Valor will have the weekend off from the stakes ranks but still has a busy docket from September 16-18 with five horses entered between the U.S., France, and South Africa.
